ISLANDS OF TANZANIA

The Wild Of Africa ... Within Your Reach!

Zanzibar (Unguja Island)

Pemba Island

Stone Town

Stone Town is the historic heart of Zanzibar, famous for its narrow winding alleyways, carved wooden doors, bustling markets, and rich blend of African, Arab, Indian, and European influences. This UNESCO World Heritage Site is known for its vibrant culture, spice trade history, rooftop views, and beautiful old coral-stone architecture.

Spice Tours

Spice tours offer visitors a sensory journey through fragrant plantations filled with cloves, vanilla, cinnamon, nutmeg, and tropical fruits, revealing why the island is known as the "Spice Island."

PEMBA CHANNEL

Island Reefs

The reefs surrounding Zanzibar, Pemba and Mafia Island offer spectacular snorkelling and diving with vibrant coral gardens, tropical fish, sea turtles, dolphins, and dramatic underwater drop-offs. From the colourful shallow reefs of Zanzibar to Pemba's world-class wall dives and Mafia's protected marine parks and seasonal whale sharks, these islands are among East Africa's finest marine destinations.
